

College Prep Timeline – Sophomores

August – January

- Begin thinking about what you may like to do after high school
- Consider chatting with upperclassmen about their plans to get ideas
- Remember, you will be taking the PSAT 10 in March, so begin to study during the first half of the school year

**All grade levels (9-12) will have individual meetings with the School Counselor during September and October to discuss and plan personal academic tracks. Juniors should attend all college visits at OLMA.*

February

- Register for the PSAT 10, or provide information to the School Counselor to be registered via school staff

March

- Take the PSAT 10

April

- Review PSAT 10 scores, and identify areas of strength as well as areas in need of improvement

**Grades 9-11 will meet individually with the School Counselor to select courses for the next academic year. Meetings will begin in April and continue until the end of the academic year.*

May

- Take AP exams as applicable

June – July

- Look ahead to Junior year!
